

SHAMROCK SHARING COMMITTEE 2024-25

Chairperson: Meghan Harris

When a CCHS family experiences an unusually challenging or stressful time such as a birth, sudden illness, chronic illness, surgery, or death, the school community often comes together to help out the family. Once cleared with the family, the PVA Steering Committee communicates the necessary information to the Shamrock Sharing Committee. This committee arranges for delivery of a simple, nutritious, home-cooked meal or other support the family might need. Depending on the circumstances, these meals are scheduled for the family for a day, a few days, or even a week or two.

If you are interested in preparing part of a meal, such as a salad, dessert, or casserole, for a CCHS family in need, please fill out your information below and return this form to the school office.
