Recommended Items

- Locker Shelf Organizer

Do NOT purchase permanent markers, rubber bands, or locker padlocks. You will be issued a locker padlock by CCHS. Students will also be issued a CCHS assignment notebook that they will be required to use throughout the year. Please arrive with supplies on the first day of school.

Additional Classroom Expectations

To help maintain an organized, focused, and distraction-free learning environment, please review the following classroom expectations for the upcoming school year.

• Students may bring a water bottle to school; however, excessively large water bottles and metal water bottles should not be brought to class. Water bottles should be reasonably sized and non-disruptive.

• Energy drinks are not allowed at school.

• Food and outside beverages (including coffee shop drinks such as Starbucks, Dunkin, etc.) should not be brought into the school building in the morning.

• Toys, fidget items, and distracting novelty items (including NeeDohs and similar items) are not allowed in the classroom unless specifically approved for educational or documented support purposes.

• Students are expected to arrive prepared, organized, and ready to begin class promptly each day.

These expectations are intended to help create a positive, respectful, and focused classroom environment for all students. Thank you for your support and cooperation.
